LAS LOMAS HIGH SCHOOL

WALNUT CREEK • CALIFORNIA

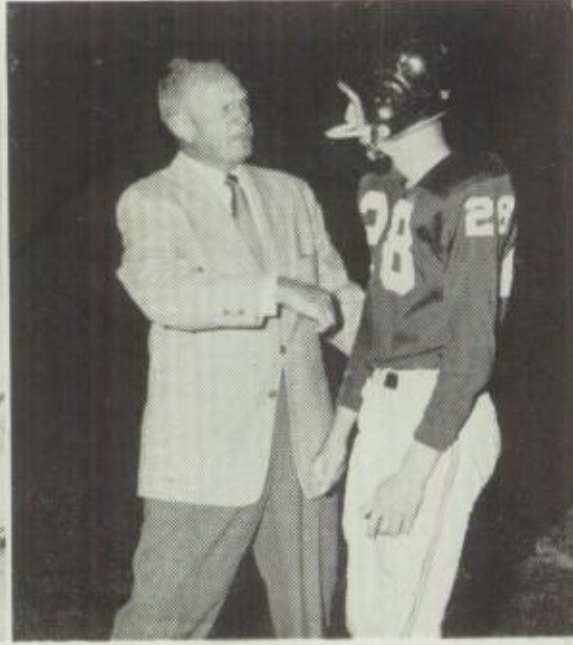

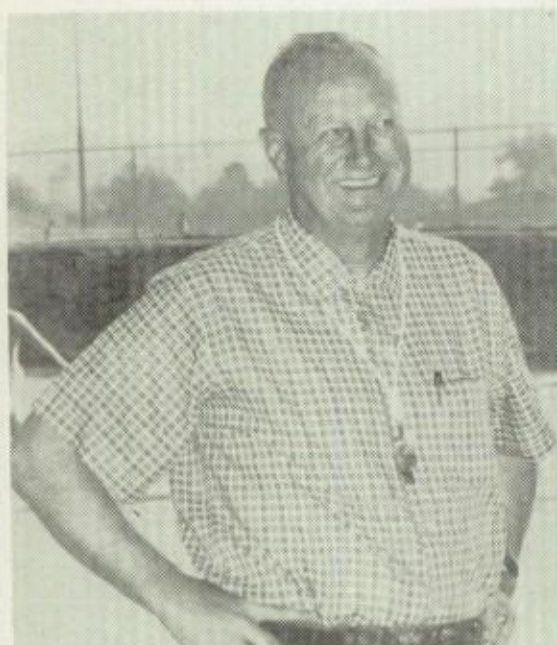

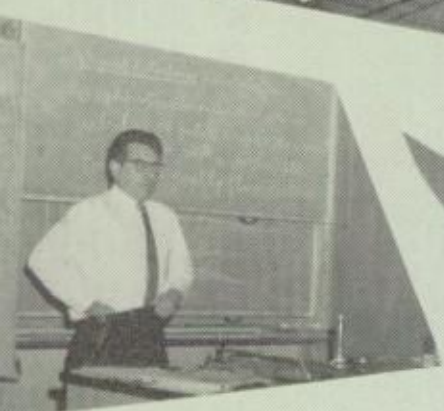

DEDICATION . . .

GEORGE DeKLOTZ

Since your arrival at Las Lomas in 1953, you have given unselfishly for the good of the school. You have taken individuals and instilled in them the desire to work together for the benefit of the whole team. In so doing, these boys have learned one of life's most valuable lessons, a lesson which will help them to attain the character necessary for manhood.

Although this dedication is small in comparison to your many contributions, we hope that it will express our thanks and deep appreciation. Again, we salute you, GEORGE DeKLOTZ.

SENIOR CLASS HISTORY

Here we are, the richest class to leave Las Lomas yet. Not only are we rich in monetary value, but we also achieved many scholastic honors and the football and basketball teams presented us with league championships for a going away present. Yes, success!

There is, however, a real history behind our success. It all started with a big frosh flop which didn't prove very much except the fact that we had a pretty peppy potential. Yes, that was the year of our famous Frosh Assembly—the one that everybody paid to see and which resulted in our not having a freshman dance.

But, did we let our freshman year discourage us? No we didn't! In fact, we surged ahead in our sophomore year with a very profitable Sophomore Hop and some concessions at the carnival.

It was, however, our junior year in which we really got rolling. Remember that gruesome Las Lomas vs. Pittsburg game? The team lost, but we sure didn't—it was a sellout! Then there was our Junior Prom; we really worked on it and were rewarded with an indisputable success. When our junior year came to a close we were "loaded" and full of class spirit, as evidenced by the hard-fought student election campaigns at the end of the year. Then, to boost class spirit even more we had a junior class picnic—all on our own. We forgot about term finals for one afternoon and had a wonderful time swimming and sun-bathing at Marsh Creek.

Then came our senior year, and we WERE seniors. Remember those crazy costumes we wore on Senior Costume Day, and the fun we had being quiet, for once, on Senior Silence Day? We also initiated Senior Bohemian Day (casual would be an understatement).

Now, with an overflow of memories of our Senior Banquet and Senior Ball, we reach the most rewarding point of our four years at Las Lomas, the graduation of the class of 1959.

HOUSE OF REPRESENTATIVES is composed of students elected from the home room classes. Their main function is to discuss bills that are brought before them by the students. It is the voice of the entire student body.

STUDENT COUNCIL meets once a week and is composed of the four class Presidents, Speaker of the House of Representatives, Presidents of the Honor Society, Block LL, G.A.A. Girls League, and the Student Body Officers. Through its elected officers, Las Lomas is represented in several important state-wide conferences. They also pass bills, formulate school policy and plan the budget for the school year. Introduced for the first time this year was an open Student

Council Meeting held in April. This policy is just the beginning of a new program to bring the student in closer contact with his government.

Last to be mentioned, but one of the most important governing bodies, is STUDENT CONTROL. This year was the first time Las Lomas has had a Student Control Committee. It ran into many snags, but while ironing out its problems, it laid a sound foundation for the Student Control Committees of the future. The goals set at the first of the year included a campaign for clean campus and maintaining control in the assemblies and rallies. Because of the combined co-operation of the faculty and the student body, free seating was returned to the students and the goals set at the beginning were met. In this manner, Student Control was established as a successful new branch of our government.

There goes Steve Moore for a big end sweep in the Alhambra game.

Ransome breaks loose for thirty-five yards in the Miramonte massacre.

LAS LOMAS' FIRST CHAMPIONSHIP

The 1958 Knights compiled the finest record in the history of Las Lomas. It was the only team in the East Bay to go undefeated and untied, and easily won the first championship of the newly formed Foothill Division of the Diablo Valley Athletic League.

Led by the smooth passing combination of Hopkins to Dodge and the hard running of backs Moore and Ransome, the Knights vanquished the Green Lancers of St. Francis 25-0 and John Swett of Crockett 33-7. The varsity rounded out the practice season by muzzling the tough Alhambra Bulldogs 26-13 and trouncing Pleasant Hill 28-12.

After opening league competition with a smashing 33-0 victory over an inexperienced Miramonte team, Las Lomas showed its ever-increasing strength two weeks later by soundly whipping a much stronger San Ramon team 34-6. The Knights slow-starting eleven took even longer to warm up against their traditional rivals, the Acalanes' Dons. In certainly the most thrilling battle of the season, Las Lomas, with a never-say-die spirit fought from behind to tie the score in the fourth quarter. Then, a brilliant interception by Bob Gomez gave the ball to Las Lomas, and with "Old Reliable" Ransome carrying the mail, the Knights powered over the goal in the final seconds to win the crucial one 20-13.

Las Lomas climaxed the season with a tremendous show of line play and hard running that earned them a 48-19 triumph over the Piedmont Highlanders and the **CHAMPIONSHIP!**

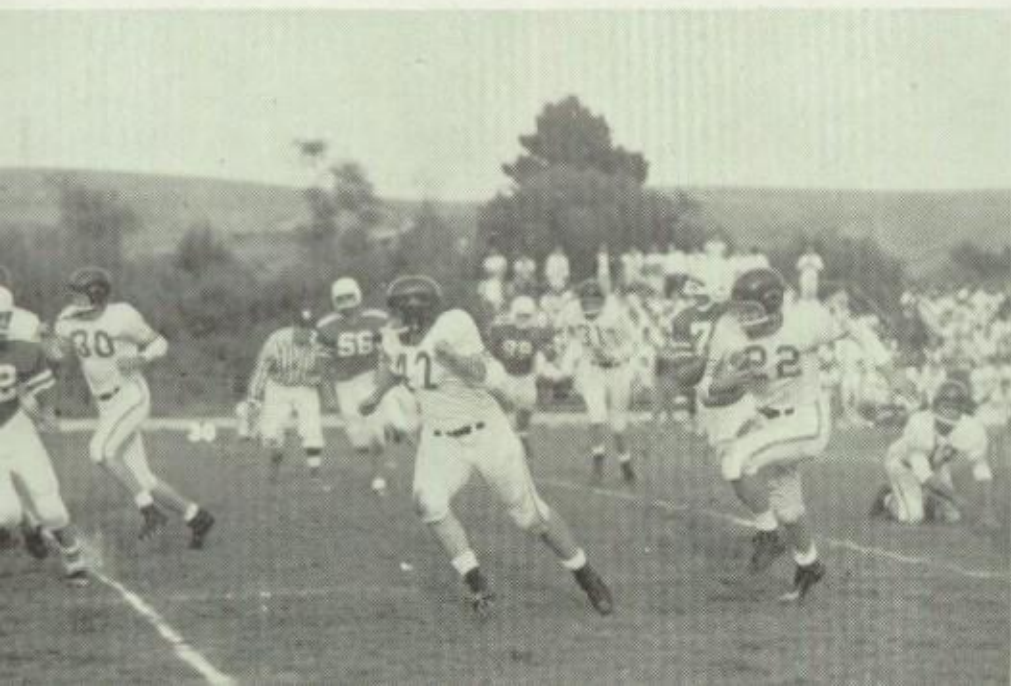

On completion of its outstanding season, Las Lomas was honored by having five players placed on the All-League team: Jim Foreman at Center, Bob Blower and Dave Weill at Tackle, Steve Moore at Halfback and Clark Ransome at Fullback.

Congratulations to all the fellows for their fine team play and to the coaches, George DeKlotz and Duane Lewis, for a job well done.

This year the Junior Varsity ended the season with a sensational 6-0-1 record, the best one in years. This record was good enough to obtain a tie with Acalanes for the championship of the league. The Knight machine, coached by Mr. Jerry Bellon and Mr. Gene Schultz, was propelled by excellent offensive and defensive units. Behind a hard-working offensive line, quarterback Harold Stephenson utilized the running power and speed of backs Tom Broatch and Steve Bowen for a powerful attack. They rolled up a total of 146 points, while holding their opponents to only 14. The defensive platoon, sparked by Phil Rutschow and Rick Miles, was able to check the attack of its opponents almost every time. According to the coaches, these players and others should make very good material for a future varsity team.

WRESTLING

This year a dynamic new sport was introduced into Las Lomas athletics by coach Jerry Bellon. Wrestling caught hold quickly with twenty-one boys participating. Due to inexperience the team started out slowly, but by the end of the season Las Lomas had one of the strongest teams in the league. It looks like next year the Knights will be ready to go after another championship in a new sport.

CO-CHAMPIONS—D.V.A.L., FOOTHILL DIVISION

This year, basketball really came into its own at Las Lomas. The effort of the team coupled with the tremendous backing given by the student body gave the Knights a tie for the championship.

The Las Lomas cagers finished the season with a very successful record of 15 wins and 4 losses. The Knights used a superior offense which utilized the outside shooting skill of the team, in combination with the fast break, to the greatest advantage, allowing them to score easily, while holding their opponents to a minimum.

After a fast start in which they overwhelmed their first four opponents, the Knights, alternating in hot and cold streaks, won 7 out of the next 11 games. With the end of the season in sight, and Las Lomas, Acalanes, and Miramonte, neck and neck in a tight race for the championship, the Knights climaxed a winning streak with a spine-tingling 43-40 win over Miramonte. In that game, the Knights executed a brilliant upset, coming from behind in the final minutes to win by three points, thereby clinching a three-way tie for the championship.

Because of their skill and their team spirit, three members of the team were given awards. Tom Nichols received the Most Valuable Player award, Larry Drummond was given the award for the most improvement, and Clark Ransome was named team captain. Nichols and Ransome also won berths on the Foothill Division All-League team.

The spring of 1959 has been a time of revival for Track and Field at Las Lomas. The inexperienced thin-clads have shown a great desire and are rapidly becoming a League power.

Coaches Jerry Bellon and Jack La Salle have built the squad around seniors Dave Weil, Dave Tweed, Bob Blower and Bob Johnson. The team won it's first meet in three years early in the season, and has shown continual improvement.

This year Las Lomas had one of the strongest teams in the league, with many lettermen returning from last year. Excellent battery and fielders composed a very efficient and powerful team. At the time this book went to press, the Knights had a record of four wins and two losses, and it looked like the team would again be a contender for the championship.

A collage of black and white photographs depicting various school activities, including students in classrooms, assemblies, and social events, arranged around a large, stylized graphic of interlocking gears. The photographs show students in various settings: some are seated at desks in a classroom, others are standing in a line, and some are engaged in social interactions. One photo shows a student writing at a desk with a sign that says "MEMBERSHIP". Another photo shows a student standing at a desk, possibly giving a presentation. The overall theme is a yearbook or a collection of memories from a school year.
